Health-E-tip

It's Heart Month. This month reminds us to take care of our heart. The best things you can do to keep your heart in tip top shape are to exercise every day, do your very best, be kind to others, and live a stress-free life.

Disclaimer: Please be advised the exercises hereunder may not be suitable for everyone, in every age, and this or any other exercise program may result in injury. To reduce the risk of injury all children should consult their doctor before beginning this or any exercise program.
